

## Celebrating five years of champions and charity.

**This summer, we're kicking off our five-year anniversary celebrations by confirming golf's greats will be returning to Calgary through 2020!**

We're excited to share that Shaw Communications has extended their commitment for three more years as title sponsor. "Over the past four years, the Shaw Charity Classic has had a remarkable impact on children's charities across Southern Alberta, and there is no better way to celebrate this success than to ensure its support for local charities can continue." – Brad Shaw
